

# AMC YOUTH BEAT

August 2011

Arthur Mennonite  
Church Youth  
Group

“A fun place to  
grow closer to  
God & friends.”

## GOODBYE & HELLO

On Sunday, August 21st we will be celebrating an incoming freshman and saying goodbye to a couple of seniors. Chelsea Rocke will be joining our youth group and we want to welcome her and allow her to put some hand prints on the wall. We are glad to have Chelsea become a part of the youth group!

The two seniors who are moving on and going to college are Carson Petersheim and Stephen Hopkins.

Thank you for being a part of the youth group and we pray that God will bless you as continue to seek and explore the calling He has given you.

Psalm 62:1-2

says *“My soul finds rest in God alone; my salvation comes from him.*

*He alone is my rock and my salvation; he is my fortress, I will never be shaken.”* A wonderful reminder that true rest and peace are found in God and not in any great accomplishment we may do or have. Remember this as you travel through the journey of life and face the many joys and sorrows it will give you. Through everything, put your trust in God and allow him to be your rock.

## START PREPARING “SEE YOU AT THE POLE”

The date is set for September 28th and the theme is “Converge” based on Matthew 18:20 which says “For where two or three come together in my name, there am I with them.” Check it out at: [www.syatp.com](http://www.syatp.com)

**Please come and join a great evening of worship with the community on August 7th at Vine Street Christian. There will be a variety of songs and styles used for this service. We will have a snack afterwards.**

Our Senior/Freshman evening on August 21st will include the message that Mama Brenda gave the last night of convention. The evening will include convention wrap up.

## AFTERNOON WITH EAST BEND

The youth from East Bend have invited us to join them for an afternoon of fun. We will be getting together for some games and to enjoy a couple of water slides. Hot dogs, refreshments, and good conversation are all included in this outing with our friends to the north. Bring a swim suit and towel. There will be more information given later.

If you ever need anything or have any questions or just need to talk, please call me or e-mail me.
