29 HOUR FAMINE & MONEY FOR WATER WELLS

AMC will be ending a fundraising effort this month to raise money for water wells in Mozambique, Africa. Many different groups have donated to this cause and we as a youth group will have the opportunity to help on November 12th & 13th. Saturday morning at 7:30 we will meet at the youth house to begin our famine time together. Throughout the day there is time set aside for games, videos, worship and journaling. The amount of money we raise depends on how many people you get to pledge or donate. It is your responsibility to ask people to donate or pledge a dollar amount for every hour you fast. On the back of the handout you received there is space provided to record names and pledge amounts. The fast will begin at 7:00am Saturday morning and end at noon on Sunday. I have asked your parents to provide a meal in the fellowship hall for all youth after the morning worship celebration.

If you ever need anything or have any questions or just need to talk, please call me or e-mail me.

From the book “Crazy Love” by Francis Chan

Lukewarm people do not live by faith: their lives are structured so they never have to. They don't have to trust God if something unexpected happens—they have their savings account. They don't need God to help them—they have their retirement plan in place. They don't genuinely seek out what life God would have them live—they have life figured and mapped out. They don't depend on God on a regular basis— their refrigerators are full and for the most part they are in good health. The truth is, their lives wouldn't look much different if they suddenly stopped believing in God.

This statement should make you consider two questions.

HAPPY BIRTHDAY!

God has for you to live?**

**#2 Would your life look any
different if you stopped believing
in God?**
